No. 9 10760 of

Dear Mr Iwinja,

I write to acknowledge the receipt of your demi official letter No 363, dated the 30th Feb 1917 & to state as follows: —

You may remember that a few days ago we had a talk about keeping the flag ~~hoisted~~ hoisted on Sundays other holidays as well. on the Public Office Buildings.

Shortly after I returned the notes of the Diwan personally to do so, as the flag is an emblem of sovereign authority which is continuous & uninterrupted.

It therefore followed that the flag should continue to be hoisted always — day & night.

It is ~~understood~~, also ascertained that the practice during the Commission days and for some time after the Rendition was to keep the flag flying always, even during nights & that it was just an ~~and~~ only after a lunatic had once managed to get to the flag & on a certain night disfigure it. Such a contingency is not likely to arise now as arrangements have been made to protect the flag from mischief

In these circumstances the
new ~~practice~~ plan of keeping the flag
flying always was adopted.

Yours sincerely
Drew
